Effective Monday, 3 January 1955, [REDACTED]

25X1A

[REDACTED] reported to the Logistics Office and assumed their new responsibilities as Chief, Personnel and Training Branch, AS, and Career Management Officer, respectively, vice [REDACTED]

25X1A

[REDACTED] are orienting themselves in activities of the Logistics Office and acquainting themselves with outstanding requirements and pending personnel matters.

f. Installation of Allotment Control Record for Allotment Account 6816-20 - Space, Maintenance, and Facilities (new and completed item)

There was installed this past week an allotment control record specifically designed by the Technical Accounting Staff, Comptroller's

~~SECRET~~

Does this mean more or less maintenance to implement?

Office, for the type of financial transactions involved in the conduct of the activities of the Space, Maintenance, and Facilities Branch of the Real Estate and Construction Division. The necessity for such a control record has become increasingly evident during the current fiscal year, principally because of the fact that actual obligations have thus far run considerably above the estimate of fund requirements for FY 1955.

g. Additional Courier Service (new and completed item)

Arrangements were made with the Chief, Mail and Courier Branch to provide a pickup at 4:00 P.M. each day from Finance Division, room 1126 I Building, for delivery to Machine Records Division, in Curie Hall. This additional service has been incorporated into the present Logistics- [REDACTED] Courier run.
